What is a Preschool?

A pre-school is a safe, fun place for kids aged 2 to 6 to learn, play, and grow before starting formal school.

Why is a Preschool Needed?

Kids aged 2 to 6 are curious and eager learners. Preschool taps into this crucial period, making sure they develop fully and get ready for primary school.

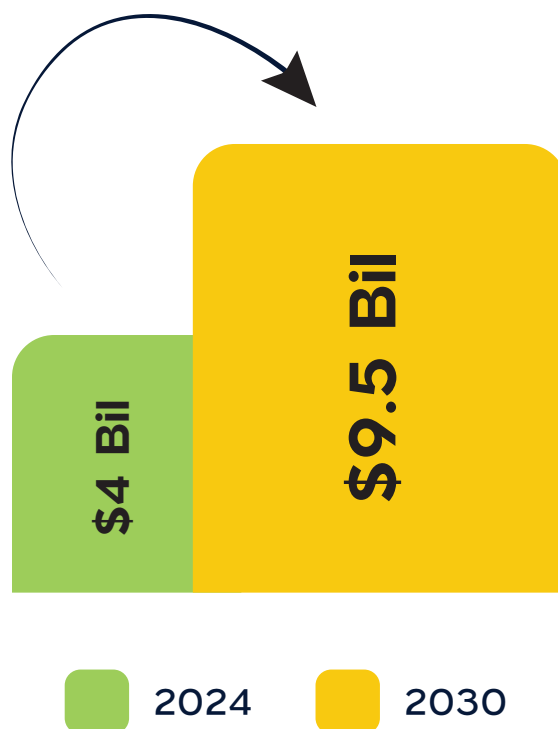

Key Development Areas in Preschool

- Personal, social, and emotional growth
- Communication skills
- Understanding the world
- Creativity
- Physical development
- Mathematical awareness
